

# WHO'S IN MY FAMILY?

Who is dad's dad? Who is mum's mum? Fill in the family tree and see how everyone is connected.

→ **Hey Parents!**

This activity is a fitting way to wrap up the Year of Celebrating SG Families. Paste photographs or draw your own pictures of family members. This is a fun way for kids to see how they are connected to their family. Use this chart to spark conversations about family members, and reinforce the importance of family values such as love, care and concern, commitment and respect.
