

THINK OUT OF THE BOX

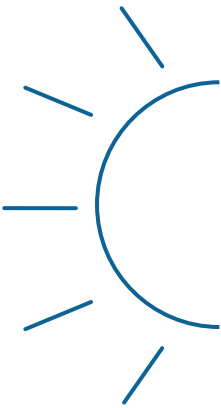

Complete the pictures below. There is only one rule:
be creative and let your imagination go wild!

It's not a star. It's a _____.

It's not a heart. It's a _____.

It's not a sun. It's a _____.

It's not a rainbow. It's a _____.

→ Hey Parents!

This fun activity spurs children to think out of the box and look at familiar things from a fresh perspective. Parents can encourage their children's creativity and imagination by giving them free rein to draw what they want.
