

Dear Parents,

Thank you for saying thank you to our teachers.

Early childhood teachers play an important role in the learning, development and well-being of your children. It is a challenging but rewarding job as teachers nurture your children into independent, confident and happy individuals.

As parents, you can play your part in showing your appreciation and support. Take time to say “Thank You” to your children’s teachers for their passion, dedication and commitment in ensuring the best possible outcomes for your children. Support them in playing an active role in the care and development of your children. Inspire your children’s teachers to reach for the stars and give their professional best!

How to Participate:

- **Remove the card!** Detach the “Say Thank You to Our Teachers” card from Beanstalk and cut out the specially designed photo props.
- **Express your thanks!** Write or draw a creative “Thank you” message on our “Say Thank You to Our Teachers” card.
- **Take a selfie!** Take a selfie or creative photograph of you, your child and/or your child’s teacher, together with your appreciation message. Use our photo props for a funky shot!
- **Share with ECDA!** Post the photo on your Facebook and/or Instagram and hashtag #saytq2teachers
OR Email your photos to ECDA_growatbeanstalk@ecda.gov.sg.
