Introduction

The annual ECDA Scholarships and Training Awards Presentation Ceremony was held virtually this year on 28 Oct 2021. It recognises outstanding in-service and aspiring Early Childhood (EC) educators who have taken up the ECDA Scholarships and Training Awards (TA) to fulfil their career aspirations.

During the Ceremony, 6 outstanding in-service EC educators received the ECDA Scholarships to pursue their Bachelor's or Master's degrees in EC Education, while 20 TA recipients received the ECDA TA Commendation Award for their exemplary performance during their studies. A total of 372 recipients pursuing their full-time EC courses at the Institutes of Higher Learning also took up the TA as they embark on their EC journeys!

Messages

Kicking off the event was the Chief Executive (Designate) of ECDA, Mr Tan Chee Wee, who shared that developing EC professionals will remain ECDA's top priority in supporting a fast growing EC sector.

Chief Executive (Designate) of ECDA, Mr Tan Chee Wee kicked off the event by delivering an opening address.

A video from Minister Masagos sending his congratulatory message to all newly awarded recipients was shown.

In his congratulatory remarks, Minister for Social and Family Development, Mr Masagos Zulkifli reaffirmed the pivotal role EC educators play in shaping young minds, and the Government's commitment to supporting them at every stage of their careers.

Guess The Lyrics!

For the very first time, we played a virtual 'Guess the Lyrics!' game at the Ceremony! With full energy and enthusiasm, our recipients sang to the missing lyrics of various nursery rhymes. Some were even accompanied by supportive family members, who were happy to sing along and join in the fun. We were sure everyone had a good time! (3)

This activity was
co-created with
our Training Award
recipients from
NIEC - Temasek
Polytechnic.

Thank you Wei Jie and Balwinder!
